

# Soroptimist Hearts Know the Way

Our outreach project for the 2021 Heart of the Valley Area Meeting is the women's transition program at Coffee Creek Correctional Facility.

Women in transition from incarceration to post-incarceration need support as they go back to their families and their community. As they make this transition, they work with counselors who help them with the self-efficacy, empowerment, and training they need for support. To encourage the women, counselors can provide small incentives to reward a goal achieved or a task completed.

With our donations, the program will purchase these small incentives – like nail polish, bubble bath, birthday cards, and small toys.

**There is no fee for attendance, but a minimum \$10 per member donation is appreciated**

***All donations will benefit outreach at the Coffee Creek Women's Correctional Facility in Wilsonville, Oregon***

Donations earmarked to CCCF may be mailed to:

SICV PO Box 973 Newberg, OR 97132

or submitted electronically by following the link:
