

OUR GLOBAL IMPACT IN FY21/22

11,667 girls participated
 across **14** countries and territories

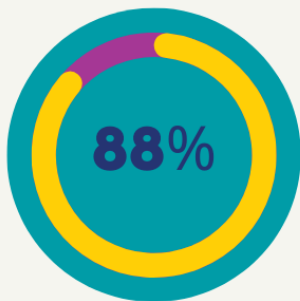

"I learned that no matter the setback, I can find a way to solve it."

America del Sur Region participant

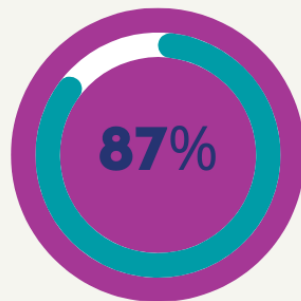

"Just saying it in words does not change anything, so I realized that it's important to take action even for small things. Don't just focus on the results, but value the subsequent impact on yourself."

Japan Chuo Region participant

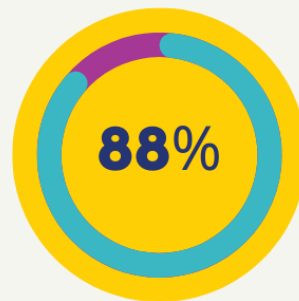

GIRLS ARE EMPOWERED TO LIVE THEIR DREAMS

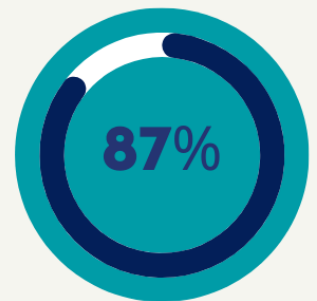

feel more confident about their future success

feel more prepared to pursue their career goals

created achievable goals for their future

have new tools to overcome obstacles to their success

"My number one obstacle is the doubt that I tend to have in myself, but I have learned to overcome that doubt. I can motivate and push myself to keep going, even if doubt appears in my mind."

Northwestern Region participant
