Soroptimist International of Chehalem Valley's *Annual Soups On* Cook-off will feature local chefs, home cooks, local personalities, service clubs and teams competing to win the "Best Soup" and bragging rights as the 2024 *Soups On* Chef. We will have a Judge's choice and a People's Choice.

We are planning to serve wine to our guests for a fee and we would appreciate a donation of your fine wine. Your donation will enable us to target more funds towards our awards and programs. Donators and Sponsors will be acknowledged in the program, media, and other formats.

Why Women and Girls?

Soroptimist means "best for women" and that's what we strive to be—an organization of women at their best empowering other women to be their best. As a volunteer organization of business and professional women we feel uniquely qualified to help women and girls live their dreams

It's true that both women and men live in poverty, face discrimination and must overcome obstacles. But throughout history—in every country in the world—women and girls face additional obstacles and discrimination solely because of their gender.

Soroptimist International of Chehalem Valley will be using the money raised at our Soup's On event to fund our "Live Your Dreams" award which assists women who provide the primary source of financial support for their families by giving them the resources they need to improve their education, skills, and employment prospects. It also goes towards funding other programs and fundraising efforts.
